

# Look Around You

middle C

Tune: 'Clementine'; 1.25 minutes

Lyrics: Shirley Morrison and Kay Thode

[SWEEP ARM] Look around you, see the people  
Who are working everyday  
For the kind of world we all want,  
Where healthy children laugh and play.

[HAND STOP] A world with no more nuclear weapons,  
Guns are banned and war is rare,

[SWEEP ARM] Where all races live together,  
Everyone has good health care.

Equal rights and decent wages,  
Social justice on the earth,

[HAND STOP] No pollution on the planet,

[RAISE HAND] A new world will come to birth.

[SWEEP ARM] Look around you, see the people  
Who are working every day  
For a world of peace and plenty  
Where the grandkids laugh and play.
