

Indian Point Must Go

G

Tune: 'My Bonnie Lies Over the Ocean'; 2.75 min.

Lyrics: The Raging Grannies ... and Their Friends of Westchester County NY

We went to an NRC meeting.
Our words they did not want to hear:
Don't dare to extend this plant's license
By even as much as one year.

Yes, Entergy promises safety,
But sometimes their sirens don't blow,
And strontium leaks are polluting
So Indian Point has to go!

CHORUS: No nukes! No nukes! Indian Point has to go, Right now!
No nukes! No nukes! Yes Indian Point has to go!

This plant is unsafe for employees
But we don't want anyone fired. (SHAKE HEAD 'NO')
Retrain them for alternate energy
And make sure that they get rehired.

This plant is a terrorist target.
Why not use much less toxic fuels?
Convert to a natural gas plant!
Secure those nu-cle-ar waste pools. (ROOT WITH FIST)

CHORUS: No nukes! No nukes! Indian Point has to go, Right now!
No nukes! No nukes! Yes Indian Point has to go!

The route for our evacuation
Won't work! We can't get out of town.
What good are clogged roads for escapin'
If Indian Point does melt down?

Our State DEC made a ruling
Hot water kills too many fish.
If Entergy can't build new coolers,
Relicensing plans should be squished. (GRIND FOOT)

SPOKEN, ONE VOICE: Then we grannies will get our wish.

VARIATION ON CHORUS

Shut it down! Shut it down! Indian Point is unsafe, we know!
Shut it down! Shut it down! Indian Point has to go! (Right Now!)
