

All of Us - Optional Verses

middle **C**

Tune: 'When the Saints Come Marching In'

Lyrics: The Raging Grannies ... and Their Friends of Westchester County NY

PEACE <i>refrain: All of us will work together</i>
Let's make true peace, instead of war. To make true peace, instead of war.
Let justice rule, instead of arms.
Let's keep each child, safe from land mines.
Bring all Afghans, into peace talks.
Let's leave Iraq, rebuilt in peace.
Let's give Afghans, self-rule and peace.

VETERANS <i>refrain: All of us will work together</i>
Let's bring the troops all safely home.
Let's give our vets, complete healthcare. To give our vets the care they need.
Injury, PTSD All vets will need recovery. All of us, must work together For our vets recovery.

ENVIRONMENT 1 <i>refrain: Through all of us, working together</i>
Let's live our lives, sustainably.
We'll use less fuel, more wind and sun.
Our energy, will be home grown.
Our homes will sell, pow'r from the sun.
We'll buy small cars, run by the sun.
We will produce, less C-O-2.
We'll cool the earth, by 3 degrees.
We'll learn to live, sustainably.

UNITY <i>refrain: All of us will work together</i>
Let's strengthen ties, 'tween diverse groups.
Let's build a bridge, between two camps.
Let's understand, each party's side.
Let's heal the rifts, 'tween ethnic groups.
Let's honor our, diversity.

IDEALISM <i>refrain: All of us will work together</i>
Let's take a stand, for what is right. To take a stand, for what is right.
Let's make sure all, have human rights.
Let's be allied, with those in need.
Let's end the wars, and build anew.
Let's build a world, that's safe and just.

ENVIRONMENT 2 <i>refrain: All of us will work together</i>
Recycle cans, recycle glass. Recycling paper, cans, and glass.
Take train and bus, and form car pools. With trains and buses and car pools.
Use sun and wind to boost our power. With sun and wind to boost our power.
Let's all conserve instead of waste. To conserve instead of waste.
When Planet Earth is safe from harm, When Planet Earth is safe from harm, We'll be so glad we worked together When Planet Earth is safe from harm.
