

# America, So Many Dreamed

middle C

*Tune: 'America the Beautiful'; 1.25 min.*

*Lyrics: The Raging Grannies ... and Their Friends of Westchester County NY*

America,  
So many dreamed  
to come here and be free,  
where decent work  
for decent wage  
Gave life and liberty!

But now we find  
This dream of ours  
Depends on not just one!  
For us to have  
The life we dreamed  
So must everyone!

Our trade laws now  
Bring poverty  
To families world wide.  
Fair trade, fair wages  
For their goods  
Will bring their dreams alive.

To keep our dream  
Reality  
Make trade laws not 'bout greed;  
But protect people  
Everywhere,  
Our global family.
