

Here's What We'd Love to See

Tune: Put Your Arms Around Me, Honey; 1.0 min.

Lyrics: Bar Seifred, Vancouver

Put your hands together and
We'll [CLAP!]for Peace!
Keep the rhythm going
Don't let it cease!
Oh oh women know they shouldn't oughta
Send their kids to war their precious sons and daughters!
When will the world listen and come to their senses
Get past the propaganda all those pretenses
Oh oh how we'd love to see
The world's women making Peace!

Put your hands together and
We'll [CLAP!] for Peace!
Keep the rhythm going
Let it increase!
