A

Tune: "She'll Be Comin' 'Round the Mountain," 2.0 min.

Lyrics: adapted from Florida Revision 2010 (Vicki Ryder of Rochester/South Florida)

By Sunny Armer of The Raging Grannies . . . and their Friends of Westchester County NY

Raging Grannies are environmentalists!
Yes, we're radical environmentalists!
We reject all forms of violence.
No one can buy our silence,
'Cause we're radical environmentalists!

We want pesticide-free veggies on our plate!
Dairy products laced with hormones we just hate!
PCB –polluted fish
Is our least favorite dish.
'Cause we're radical environmentalists!

Oh, we don't like lawns with poison Weed and Feed,
Or genetically manipulated seed!
Yes, we want clean air and water,
For every son and daughter,
'Cause we're radical environmentalists!

Oh, we don't like energy from fossil fuels,
Cause we know they poison earth, we ain't no fools!
We would rather look at windmills
Than clean up toxic oil spills.
We're radical environmentalists!

Recycling cans and paper's not enough.
We need wind and solar power for our stuff!

[LOOK AT AUDIENCE AND SING TO THEM]

By living more sustainably
We'll heal our earth, both land and sea,
WE'RE ALL radical environmentalists!
