

The Times They Do Need a Changin'

low C

Tune: 'The Times They Are a Changin' '; 1.5 min.

Lyrics: Audrey Roberts of the Raging Grannies ... and Their Friends of Westchester County NY

So Westchester people we want you to hear,
How Entergy's hiding the **facts** from all near.
We know this old plant has now had it's day.
Continuing leaks there will make us all pay.
So why are we waiting? [PAUSE]
Let's close the plant down!
For the times they **do** need a changin'!

The **fish** they are dying, the **fault** line is near.
Spent fuel pools are **full**, and are open and bare.
We can't get away if a problem appears.
There's too many people, and few roads to share.
The time is a wasting! [PAUSE]
Let's find a new way!
For the times they **do** need a changin'!

Now NRC members we want you to hear,
Indian Point has been **failing** for many a year.
Fukushima's a signal of what **might** be in sight.
Please listen, take note, and do what is right! [PAUSE]
The people around here
Are depending on **you**!
For the times they **do** need a changin'!

[ONE VOICE] PLEASE DO NOT RELICENSE INDIAN POINT!
