

Move to Amend

middle C

*Tune: 'Johnny's So Long at the Fair'; 1.50 min.
Lyrics: Vicki Ryder of Triangle, NC*

The **Supreme** Court's decided that big corporations
Can **donate** to candidates all through our nation.
Elections are now such an **abomination**!
So **we** need to Move to Amend.

[CHORUS] Oh dear, what can the matter be?
All that big money is killing democracy!
We're so fed up with the Fat Cat's hypocrisy ...
We need to Move to Amend!

The **candidates** have to take money that's dirty,
Or **they** can't buy ads on the news at six-thirty.
And **folks** don't have access to news that is worthy,
So **we** need to Move to Amend.

Corporations back candidates **who** help the wealthy,
While **poor** people cannot afford to stay healthy!
Our **tax** money's wasted on bombs that are stealthy.
So **we** need to move to amend.

[CHORUS] Oh dear, what can the matter be?
All that big money is killing democracy!
We're so fed up with the Fat Cat's hypocrisy ...
We need to Move to Amend!
