

Free and Equal (Diversity)

Tune: God Bless America

Lyrics: The Raging Grannies ... and Their Friends of Westchester County, NY

God Bless America! Land of the free,
Where we honor
All people,
and our sexual diversity.
Out of discord, out of shame,
Out of closets, and pain,
All, gay and straight, affirm equality.

God bless America! **I**mperfectly free.
Where we struggle,
some stumble,
As we learn about equality.
Gender biased, gender free,
Each unique, with dignity.
Everyone together builds our fair country.

God Bless America! Striving to be free.
Free of hatred,
Free of fear,
And **f**ree from **b**igotry.
We **p**ray together, **b**uild our fam'lies,
All with rights, community.
We are one family, humanity.
