

# All Of Us Will Work Together

“A”

Tune: “When the Saints Go Marching In”

Lyrics: adapted by Granny Valery of Westchester County Raging Grannies

Let's make true peace, instead of war.  
Let's make true peace instead of war.  
All of us, will work, together  
To make true peace instead of war.

Let justice rule, instead of arms  
Let justice rule instead of arms  
All of us, will work, together  
Let justice rule instead of arms

Let's keep each child, safe from land mines.  
Let's keep each child, safe from land mines.  
All of us, will work, together  
To keep each child, safe from land mines.

Let's make sure all, have human rights.  
Let's make sure all have human rights.  
All of us, will work, together  
To make sure all have human rights.

Let's make true peace, instead of war.  
Let's make true peace instead of war.  
All of us, will work, together  
To make true peace instead of war.
