

A World That We Can Sustain

“G”

Tune: I'm Looking Over a Four-Leaf Clover

Lyrics by Sunny Armer of Westchester Raging Grannies

In many nations
The population
Is mul-ti-ply-ing too fast.
Our carbon footprints
Are stomping the earth
We must examine
The rate of our birth.

If we don't slow down,
We'll face a showdown,
A planet-wide hurricane.
To save our children,
We must start buildin'
A world that we can sustain.
