

# Fair Trade / Handmade Crafts

A

Tune: Jingle Bells

Lyrics: by Louise Nelson of Austin

Handmade crafts, hand-dyed scarves,  
Made with loving care  
By artisans who benefit  
From prices that are fa-ir.

Choc'late bars, coffee beans,  
Fair Trade all the way.  
Oh what fun they are to give  
And get on holidays!

When you buy Fair Trade,  
You're buying someone's time,  
Ensuring they receive,  
More than just a dime.  
When you give Fair Trade,  
You give more than a gift -  
You're giving opportunities  
To those who need a lift.

Handmade crafts, hand-dyed scarves,  
Made with loving care  
By artisans who benefit  
From prices that are fa-ir.

Choc'late bars, coffee beans,  
Fair Trade all the way.  
Oh what fun they are to give  
And get on holidays!
