

Oh Suzanna!

Tune: Oh Suzanna, 1.5 minutes

Lyrics: Raging Grannies and Their Friends of Westchester County NY

Oh Suzanna! Oh, just you wait and see!
We'll shrink our carbon footprints!
And we'll do it comf'ter'bly!

With sun 'n' wind, to boost our pow'r.
Less will come from fuel.
Every home
Will have their own
Pow'r to sell or use.

Oh Suzanna! Oh, just you wait and see!
We'll shrink our carbon footprints!
And cool earth by 3 degrees!

We'll live near work, use bus or train,
buy produce locally.
Food will taste fresh,
And we'll use less
Of precious gasoline.

Oh, you skeptics! Oh, just you wait and see!
We'll shrink our carbon footprints!
And do well financially.

Get high speed trains, a few less planes,
And some heat from the sun.
The shift will mean
a lot more jobs,
more work, and well begun.

Oh Suzanna! Oh, just you wait and see!
We'll shrink our carbon footprints!
And live more sustainably!
