

Waterboarding

Tune: Michael, Row the Boat Ashore

Lyrics: by Sunny Armer for the Raging Grannies of Westchester

“G”

When the water's freezing cold,
Waterboarding,
Chills the body and scars the soul,
Waterboarding.

When you struggle to inhale,
Waterboarding,
Your tormentors might prevail.
Waterboarding.

On TV, instead of lies,
Waterboarding,
Cheney said he authorized
Waterboarding.

Let's tell Congress it is time,
Waterboarding,
To set up tri-als for war crimes,
Like Waterboarding.
