

We Rage to End All War

Tune: Battle Hymn of the Republic

“C”

We're the Raging Grannies and we're here to take a stand
Against the senseless killing raging in Afghanistan,
Iraq is still a quagmire as we sink into the sand.
We rage to end all war!

CHORUS

No more military action!
We declare dissatisfaction
With greedy politicians who make war with nukes and guns
We rage to end all war!

We put away our knitting, tuck the grandkids into bed,
Throw on our shawls and aprons, put our hats upon our heads.
We stand up for the casualties whose blood is being shed.
We rage to end all war!

CHORUS

No more militarization!
We are raging at our nation
For spending all our taxes to destroy, exploit, and kill.
We rage to end all war!

We stand here on this stage and wonder at the sad disgrace
That civil liberties have disappeared without a trace!
We're tired of old lies! We must put Congress in its place!
We rage to end all war!

CHORUS

With Obama in com-ma-and
We'll continue our dema-and
With Granny clothes and voices strong,
We'll fight with all our might
Until we end all war!
Until we end all war!
