

Where Does Taxpayer Money Go?

E

Tune: Oh, Dear, What Can the Matter Be?

Original lyrics by Jan Harwood, Santa Cruz Raging Grannies,
adapted by Sunny Armer, Raging Grannies of Westchester County

Where does taxpayer money go?

Where does taxpayer money go?

Where does taxpayer money go? [PAUSE]

The working class should have a say.

The Governor makes us feel like weak beseechers
Because we want schools to have lots of good teachers.
Our hospital buildings should have the best features
Give us Fair Share Tax Reform!

Where does taxpayer money go?

Where does taxpayer money go?

Where does taxpayer money go? [PAUSE]

The working class should have a say.

The workers pay taxes but so should their bosses.
If the rich paid their share, we would cut all our losses.
Don't dump our good programs, please hold back your horses!
Give us Fair Share Tax Reform.

[SPOKEN]

Give us Fair Share Tax Reform!
